- Fatima del Carmen Caceres Santamaria, Sheng-Ming Hsu, mentored by Dr. Shih-Hsun Hsu, National Taiwan University
“Study of Climate Change Adaptation to Sustainable Agricultural Development in Nicaragua”

Notices:

1. Teams selected for Jury Meeting will soon receive an email notice from 2011 TaiwanICDF Student Paper Review Committee.
2. According to the competition rules and decision made by Review Committee, teams selected in Phase II will continue on to Jury Meeting, during which teams will give 50-minute presentation, including 20-minute Q&A and one minute for the introduction to team members and a description of how work has been shared between team members. The jury will then choose first-, second-, and third-place teams, as well as teams to be “highly commended.”
3. Information of the exact date, time, and location of your student paper presentation, and the agenda and map for the Jury Meeting will be available on the website on November 18. Again, as you prepare for the presentation, please note the following:

- (1) Time allotments. If you are presenting a paper, please conform to a 50-minute time slot allotted for papers.
- (2) Audio/visual needs. An LCD projector will be available in the multimedia conference room. If you have other audio/visual needs, please contact Ms. Mei Hsiao at mhsiao@mail.mcu.edu.tw before November 25.
